Mr. James Conway wants to make money. He wants to build new houses and shops - and he wants to build them on an old graveyard, on the island of Haiti.

Oxford Bookworms Library New Edition- Level 2

Then one day, the answer came to me. Suddenly I was sure that I knew the secret of life. I knew that I could put life into a body that was not alive (...). In my laboratory I made a body. I bought or stole all the pieces of a human body that I needed, and slowly and carefully, I put them all together. I did not let anybody enter my laboratory or my flat while I was doing this awful work. I was afraid to tell anybody my terrible secret.

It is dark outside and you are alone in an old house. On the wall there is a picture of a strange man with eyes that are alive and watching you. There is a room in this old house which makes you cold when you enter it, cold all the way down your back. And this is the room where, long ago, somebody died - very suddenly.
